COMMUNICATION

This application is before the Office of PCT Legal Administration for consideration of issues arising under 35 U.S.C. 371.

## **BACKGROUND**

On 24 February 2003, applicant filed international application PCT/IB03/00695, which claimed priority of an earlier United States application filed 25 February 2002. A copy of the international application was communicated to the USPTO from the International Bureau on 28 August 2003. The thirty-month period for paying the basic national fee in the United States expired on 25 August 2004.

International application PCT/IB03/00695 became abandoned as to the United States for failure to timely pay the basic national fee.

On 10 December 2004, applicant filed a petition under 37 CFR 1.137(b).

On 27 May 2005, this Office mailed a decision granting the 10 December 2004 petition and according the application a date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) of 10 December 2004.

## **DISCUSSION**

A review of the application file reveals that the executed declaration contained therein applies to U.S. Application Number 10/083,778 and not to the present national stage application.

Although the present application claims priority to U.S. Application Number 10/083,778, a copy of the declaration for a prior nonprovisional application may not be used for a national stage application. See MPEP 602.05(a), which specifies that a continuation application filed under 37 CFR 1.53(b) may be filed with a copy of a declaration from a prior nonprovisional application. MPEP 201.06(c) states in relevant part, "37 CFR 1.53(b) is the section under which all applications are filed EXCEPT: (1) an application resulting from entry of an international application into the national stage under 35 U.S.C. 371 and 37 CFR 1.494 or 37 CFR 1.495...."

## **CONCLUSION**

The paragraph in the decision mailed 27 May 2005 specifying the date under 35 U.S.C. 371(c)(1), (c)(2), and (c)(4) is herby <u>VACATED</u>.

This application is being forwarded to the United States Designated/Elected Office (DO/EO/US) for further processing in accordance with this communication, including preparation and mailing of a Notification of Missing Requirements Under 35 U.S.C. 371 (Form PCT/DO/EO/905), which should indicate that an oath or declaration in compliance with 37 CFR 1.497 must be submitted.
